

2019 Picpoul Blanc

Terra Alta Vineyard
Clements Hills - Lodi, CA

Our Story

Markus and Liz Bokisch have been producing award-winning Spanish varietals since the early 2000s. With hearts and heritage of Spain, their inspiration to produce Spanish varietal wines in California began by directly importing budwood from select vineyards in Spain, thus creating Bokisch Vineyards, nestled in the Clements Hills of the Lodi AVA. They began making wine from their estate grown and organically farmed fruit in 2000.

Our Vineyards

Our Terra Alta Vineyard is the beautiful home of our winery facility and is nestled in the toe of the Sierra Foothills. Featuring 80 acres of redding gravelly clay loam, this is the organically certified home of our plantings of Albariño, Garnacha, and Graciano. Markus planted this parcel in 1996 because its climate and soil were almost identical to the vineyards he farmed in the Vaca Mountains of Napa Valley. Those vineyards, like our Terra Alta, are perfect for Mediterranean varieties.

Our Wine

This is our first vintage of Picpoul Blanc and we couldn't be more excited to share this wine with you. Planted in 2014, we have used Picpoul as a blending grape but this is our first true varietal bottling. After a slow, cold fermentation, the wine is then aged in stainless steel for 5 months. It has bright aromatics of lemon peel, lime zest, crushed violet, and under-ripe pear that lead into zesty flavors of lemon-lime soda, orange blossom, and lime juice. The finish is long, lingering, and refreshing.
