### TASTING NOTES

This Verdelho is like the mist of the sea. It is clear and bright in color with aromas of peach, Pippin apple and a hint of lemon mint and white pepper. It is medium bodied and round in the mouth with flavors of key lime pie, tart apple and pineapple Lifesavers candy. It is a beautiful wine meant to be enjoyed with food and friends. Try it with fresh mussels from the sea or just pop a cork while you barbeque your favorite chicken Teriyaki!

### VERDELHO FACTS & HISTORY

Verdelho is a Portuguese white variety that originates from the Island of Madeira and the Azores, west of the mainland of Portugal. It traveled to the Douro Valley, on to Galicia then Australia, and now has found a home in California. We planted our Verdelho in the volcanic clay loam soils of the Vista Luna Vineyard in the eastern hills of Lodi. It produces small bunches of oval berries which give it a higher skin to juice ratio. We have observed its adaptation to our climate and our soil and are certain that Verdelho will be a permanent part of the California wine world.

### GREEN CERTIFICATION

This wine was produced from green certified vineyards. The "Lodi Rules for Sustainable Winegrowing Practices" is the most recognized third-party vineyard certification program in the industry. In order for a vineyard to be certified green under Lodi Rules, a grower must monitor and record their farming practices and achieve a minimum, quantifiable score in several categories.
