### TASTING NOTES

This Rosado is made in a dry Spanish style from Garnacha grapes. It has a light salmon color and notes of strawberry, watermelon, pink grapefruit and hints of caramel apples. It has bright acidity and a long finish with flavors of raspberry, cranberry and strawberry ice cream. Enjoy all summer long and into the fall with grilled pork chops, appetizers or simply sip by the pool with your favorite book.

### ROSADO/ROSÉ WINE FACTS & HISTORY

Rosés have been popular throughout the Mediterranean since time immemorial. Countries such as Spain and France take their Rosés seriously; contrasting the hot, arid summer climate with the wine's cool, crisp freshness. Rosés are also extremely food-friendly, combining graciously with Spanish tapas as well as lengthy, afternoon meals.

### GREEN CERTIFICATION

This wine was produced from organically farmed and green certified vineyards. The “Lodi Rules for Sustainable Winegrowing Practices” is the most recognized, third-party vineyard certification program in the industry. To qualify, a grower must pass rigorous, yearly audits which address every aspect of land stewardship. To become certified green, a grower must monitor and record their farming practices and achieve a minimum, quantifiable score in several categories. These categories include, efficient water use, efficient energy use, reduced pesticide use, air quality enhancement, ecosystem enhancement, employee training and community involvement to name a few.
