### TASTING NOTES

This Trecadis blend is the first in a series created especially for you by our winemaker, Elyse Perry. The dark purple color matches the enticing aromas of plums, dark berries, fresh ginger and hints of hazelnut Nutella. It has spicy, mature tannins which combine beautifully with the flavors of blackberry compote, dark chocolate and hints of white pepper and licorice. This full bodied, silky smooth wine lingers in the glass with a very long finish. The art of the winemaker combines with the art of the Catalan tile mosaic and is discovered by the wine in the glass!

### TRECADIS: THE ART OF CATALAN TILE MOSAIC

The word Trecadis is the Catalan word for the art of combining broken shards of ceramic tiles, dinner plates and teacups and forming them into a unique mosaic. Antoni Gaudi used this art in his works during Catalan modernism in Barcelona in the early 1900's. There are many famous buildings and parks with Trecadis used as the main decorative style such as Park Guell, Casa Batllo and the sacred church of the Sagrada Familia. We have used this art as an inspiration for combining our own blend of flavors and textures in the wine. Each year our winemaker, Elyse Perry, will create a special blend or mosaic of wine for your enjoyment. The artwork on the label is directly from photos taken at Park Guell. To create a special collection we have three different labels of this artwork to enhance the idea of the essence of Trecadis.

### GREEN CERTIFICATION

This wine was produced from green certified vineyards. The "Lodi Rules for Sustainable Winegrowing Practices" is the most recognized third-party vineyard certification program in the industry. In order for a vineyard to be certified green under Lodi Rules, a grower must monitor and record their farming practices and achieve a minimum, quantifiable score in several categories.
