TASTING NOTES

This 2017 Trencadis white blend is the first and inaugural vintage. It was created especially for you by our winemaker, Elyse Perry. It sports a gorgeous light golden hay color. Can we say Goldilocks? It has incredible aromas of honeysuckle, white peach, white plum and hints of banana smoothie. The flavors suggest starfruit, tropical fruit cup, honeydew melon and white nectarine. It is round and smooth with a medium body and a viscous, long finish. This wine can hold its own. Liz suggests pairing it with Kofta kabobs, Moroccan lamb tagine, and Easter Ham.

TRENCADIS: THE ART OF CATALAN TILE MOSAIC

The word Trencadis is the Catalan word for the art of combining broken shards of ceramic tiles, dinner plates and teacups and forming them into a unique mosaic. Antoni Gaudi used this art in his works during Catalan modernism in Barcelona in the early 1900's. There are many famous buildings and parks with Trencadis used as the main decorative style such as Park Guell, Casa Batllo and the sacred church of the Sagrada Familia. We have used this art as an inspiration for combining our own blend of flavors and textures in the wine. Each year our winemaker, Elyse Perry, will create a special blend or mosaic of wine for your enjoyment. The artwork on the label is directly from photos taken at Park Guell. To create a special collection we have three different labels of this artwork to enhance the idea of the essence of Trencadis.

GREEN CERTIFICATION

This wine was produced from green certified vineyards. The "Lodi Rules for Sustainable Winegrowing Practices" is the most recognized third-party vineyard certification program in the industry. In order for a vineyard to be certified green under Lodi Rules, a grower must monitor and record their farming practices and achieve a minimum, quantifiable score in several categories.
