TASTING NOTES

We are very excited to introduce to you our first Rosado of both Garnacha and Tempranillo. The color is a desirable light salmon. The aromas carry a combination of watermelon with fresh orange, strawberry, orange creamsicle and hints of banana. Juicy flavors of fresh strawberry gelato, pomegranate and fresh Santa Rosa plum delight the mouth and combine beautifully with the natural acidity and lengthy finish. Liz suggests pairing this wine with good friends or a lengthy Sunday afternoon on the patio. Food is optional!

ROSADO/ROSÉ WINE FACTS & HISTORY

Rosés have been popular throughout the Mediterranean since time immemorial. Countries such as Spain and France take their Rosés seriously; contrasting the hot, arid summer climate with the wine's cool, crisp freshness. Rosés are also extremely food-friendly, combining graciously with Spanish tapas as well as lengthy, afternoon meals.

GREEN CERTIFICATION

This wine was produced from green certified vineyards. The "Lodi Rules for Sustainable Winegrowing Practices" is the most recognized third-party vineyard certification program in the industry. In order for a vineyard to be certified green under Lodi Rules, a grower must monitor and record their farming practices and achieve a minimum, quantifiable score in several categories.
